

3 Ginoza Village GINOZA COUNTRY CLUB

**LONG
COURSE**

18 holes that promise you a dramatic game, with a balanced rhythm of strategy, freshness and tension.

This full-scale golf course is composed of the Out Course which includes many ups and downs and overlooks the Pacific Ocean and Kochiya Mountain, and the In Course which is a flat course that makes the most of the natural features. Subtle undulations and effectively located ponds and bunkers will require the accurate shots.
